Hey boy, can't you see

Hey girl, what I mean

I love her, I need her

I want her, yes I want her now

Now, now

Hey man, go away

Im here, to stay

I love her, I need her

I want her, yes I want her now

Now, now, I can't wait no more

So don't you try to run away

Cos Ive been waiting, waiting

So long, I think I want you, I think

I want you now

Her girl, can't you see

Cant you see, what I mean

I love you, I need her

I want her, yes I want her now

Now, now, I can't wait no more

So don't you try to run away

I can't wait, can't wait no more

You're the one, one I love, love, love, love
