Waiting for my bus

Well Im searching and looking

Searching and looking for her

Walking away

Well Im searching an looking

Searching and looking for her

Is she wearing that same yellow dress

Walking with that same mamas boy

Hope she aint going steady

Waiting for my holiday

Well Im searching and looking

Searching and looking for her

And I am trying to stay clean

Well Im searching an looking

Searching and looking for her

Keep on wearing that same yellow dress

Forget all the other boys

Go steady with me

Well running around the street

Looking for my girl

Stopping at street lights

Waiting for my girl

Wheres that girl

Im looking for her

Wheres that girl

Im searching for her

One one one one
