Same old eleven  
Seen no simon  
Never been in reno  
True love no seen on

Come cheer up  
Cheer up  
Same old demon  
I just love my town

Gotta come off the line  
I'll be in love in the night  
I've been told everything is wrong

But i'm in love, in love with the lights  
Oh i'm in love, in love with the simone  
Same old eleven  
Oh bigger than ever

Cheer up , cheer up

Geronimo's shadow  
Getting me more narrow

Geronimo's shadow  
Getting me more narrow

I've been told everything is wrong  
But i'm in love, in love with the lights  
Oh i'm in love, in love with the simone
