Shes so shy  
Shes so shy  
Everybody know  
Shes so shy  
She wont even say  
What's her name  
Somebody said  
Shes never been on dates  
I didn't know which way to go  
Now Im standing on her door  
She didn't say yes or no  
I told her I love you so  
I took her by the hand  
Asked her name  
She said; sue  
Then she kissed me  
Come little sue what we gonna do  
What about movies or drink or two  
Name your game, dance or play  
She only said oh it's ok  
She so shy  
She so shy  
Oh everybody  
Knows she's so shy  
Then she took me by the hand  
Asked my name  
And said I love you  
Then she kissed me  
I didn't know what to say x4  
No no no ...
