I am feeling shaky and low
No need no nursing no more
Just give me something to blow
I wanna know which way to go
You gave me lovely time
Everything was cooking and fine
Hey stranger if you don't mind
Let me know am I dead or alive
Mister snowblind looking at me
And say hey rely on me
I said what I cannot see
He said ok now you're with me
True love got me out of my tune
I sounded too good to be true
Meet the painkiller in my room
The mood is good, good is the mood
You gave me lovely time ...
