Did you see the stylish kids in the riot  
Shovelled up like muck  
Set the night on fire  
Wombles bleed truncheons and shields  
You know I cherish you my love  
But there's a rumour spread nasty disease around  
town  
Caught around the houses with your trousers down  
A head rush in the bush  
You know I cherish you my love  
Oh how i cherish you my love  
Tell me what can you want  
When you've got it all I've seen is obscene  
Time will strip it away, a year and a day  
And Bill Bones,  
Bill Bones knows what I mean  
Yes it's eating, no it's chewing me up  
It's not right for young lungs to be coughing up blood  
And it's all  
It's all in my hands  
And it's all up the walls  
The stale chips are up and the hopes stakes are down  
Its these ignorant faces that bring this town down  
Yeah I sighed and sunken with pride  
You know passed myself down on my knees  
Yes I passed myself down on my knees  
Now tell me what can you want  
When you've got it all I've seen is obscene  
Time will strip it away, a year and a day  
And Bill Bones,  
Bill Bones knows what I mean  
There are fewer more distressing sights than that  
Of an Englishman in a baseball cap  
And we'll die in the class we were born  
That's a class of our own my love  
A class of our own my love  
Did you see the stylish kids in the riot  
Shovelled up like muck  
Set the night on fire  
Wombles bleed truncheons and shields  
You know I cherish you my love

And I cherish you my love.
