Hey hey hey mambo you're the host of a hounded home
Hey hey hey mambo you ought to go
I don't want you here around

Hey hey hey sister
My my only sister
Im ready for the race

Hey hey sister
My only sister
Im ready for the fade

I can't hit you easy,
I don't care what you do to him

Hey hey wild billy
Youre too old baby
I don't miss you at all

Hey hey wild billy
You ought to go
Yes with your sugar and coal

Hey hey supertime
With a strobelight
My ears are broken in two

Why can't they hurt themselves oh no
Oh why I sold my soldier coat, I don't know, I don't know
