You've killed it off
I can't believe the things you're telling me
I hope you're joking
I can't take this seriously

What a stupid question!
What are you on about?
Every time there's a loop hole you can't make me
What a good reaction
I don't know what to say
You got [x7]
me fooled

Take it as a friend
Yeah, like you want one

It's time I smashed up my piggy bank
It's no good 'cos it's made out of concrete
Here I am making pounds to give away
So what are your fivers in advance

What a stupid question!
I don't know the answer
It's not fair
Not oh yeah, yeah you'll make me
I bet you can't stop laughing
I bet your my last hope
You got- [x7] me fooled

Looking back
Almost everything was great

For a second you almost ruined everything
For a while it was too good to be true

Looking back
Almost everything is great
Take it all on board
Almost everything is great

Can you understand? [x6]
