The girl be cooking and cleaning and cleaning and

She be constantly douching and cleaning her pussy
And when she step on the scene everybody be looking
And to get in them jeans everybody be wishing

But she only want players who far from rookie
And if you ain't got the cake
Can't play with the nookie
Her titties sitting pretty and she soft as a cushion

If you try to holla she might holla she tooken
And she walk like a bad bitch talk like a bad bitch
And go and get her hair and shit fixed is a habit
Now bad bitch go and buy fish more than average
And bad bitches get to take trips with the savage

Can never tell a bad bitch a freak she too classy
But shit I can tell from her lips that she nasty
Expensive ass pantses grip to them asses
She mean as a Pitbull sweet like cabbage

Now that's a bad bitch

Caress the bad bitch now the girl gon' wild

Then freak it up and beat it up and that's my style

You get a lot of head when your bread in piles
'Cuz I'm on right now and I'm saying that loud
A trifling ass bitch make the big dog growl
A bad ass bitch make the big dog proud

Which one is the baddest, that's the one I'm having
The with no kids or just one baby daddy
And she ain't hard headed, can listen and respect it
And you ain't a bad bitch if you got bad credit

A thong and pressons and know how to cook
neckbones
I want the MVP with that throwback dress on
Don't like to get dirty and don't mind working
And she don't mind giving me some mouth and lip
service
