Every day is like a Monday morning
Every day is always grey and boring
Get out of bed, out of your head
Like anyone, like anyone

You second guess what is in the papers
You do your best to annoy the neighbours
I need a holiday, You're underpaid
Like anyone, like anyone

You're smashing up the bus stops (bus stop)
There's panic when the snow drops (snow drop)
You blow a ton, to have some fun
Like anyone, like anyone

Welcome to my land, this broken island
Not all it's cracked up to be
And we're second best to all the rest
So count me out 'cause I confess
I'm over it and it is over me

Every day it's just repeats on TV
But that's OK 'cause you never pay your fee
And now we're late, learn to hate
Like everyone, like everyone

Forever losing at our own game (own game)
But we invented it, so no shame (no shame)
Another war will feed the poor
Like anyone, like everyone

Welcome to my land, this broken island
Not all it's cracked up to be
And we're second best to all the rest
So count me out 'cause I confess
I'm over it and it is over me

Welcome to my land, this broken island
Not all it's cracked up to be
And we're second best to all the rest
So count me out 'cause I confess
I'm over it and it is over me

Welcome to my land, this broken island
Not all it's cracked up to be
And we're second best to all the rest
So count me out 'cause I confess
I'm over it and it is over me, yeah!
