California

Intro

Top off the ride

We could cruise around

Listen to the sounds till the sun goes down

Main

Starin at my window at you

Am I the same without you

And I ain't the same without you

Can't even do my thing without you

So long to the one that I love

And I remember how it was

I wish I could be back there cuz

I wanna be there where I can take a

* Chorus *

Top off the ride

We can cruise around

Listen to the sounds till the sun goes down

There's a party goin on in every corna

That's why I gotta be in california

We can take a top off the ride

We can hit the shore

We can hit sunset (we can hit the stars)

There's a party goin on in every corna

That's why I gotta be in California

Starin at my window at you

Am i the same without you

But life aint the same without you

Cuz I know that it'll be too long

Before I see you

Tears for my eyes cry too

Tears for my eyes cry blue

I love it when the breeze comes through

So as soon as i get back Im gonna take a

* Chorus *

Top off the ride

We can cruise around
Listen to the sounds till the sun goes down
There's a party goin on in every corna
That's why i gotta be in california
We can take a top off the ride
We can hit the shore
We can hit sunset (we can hit the stars)
There's a party goin on in every corna
That's why I gotta be in california

Top off the ride
We can cruise around
Listen to the sounds till the sun goes down
And theres a party goin on in every corna
That's why I gotta be in California
Top off the ride
We can hit the shore, We can hit sunset
And no matter where there's sunset

* Bridge *

Yea, Yo, We in the city with the Cadillacs, the
Chevrolets
And it be sunny everyday, In everyway
We be in them drop tops, with hot hops
Hittin 3 wheels, Make em put the spots
With the mommys in them Prada Pants, And Corn Rows
Thats anywhere from Crenshaw to Mel Rose
We ridin down sunset, Long as I got a blunt left
When you smell, You can tell I'm from the west

Top off the ride
We can cruise around
Listen to the sounds till the sun goes down
Theres a party goin on in every corna
That's why I gotta be in California
We can take the top off the ride
WE can hit the shore, We can hit sunset
There's a party goin on in every corna
That's why I gotta be in california

Top off the ride
We can cruise around
Listen to the sounds till the sun goes down
Theres a party goin on in every corna
(I gotta be, I gotta be)
That's why I gotta be in California
We can take the top off the ride
We can hit the shore, we can hit the sunset
And no matter where there's sunset...
