

A "Here We Go Again"

Four long years ago, searching for the snow
We found the Tahoe lakes, just about the perfect place
50 Runs at 'Heavenly', and the nights at 'Squaw Valley'
Yeah, the trees are pretty wide, "That's where Sonny
bono died"

All is quiet on New Years day, think I'll try and impress
my mates
So I jump into the lake, I won't do that again, here we
go again....

The south shore has the lot, and last month Dave Lee
Roth did a solo spot
And some German bloke got shot, every year we say
the same
"Try somewhere different for a change", but we jump
on to the plane
Yeah, here we go again
