Let's create some punk rock magic

What have you done?
What have you done?

I don't feel up at all, I lost my shoe
Down the corner got your name
Nothing more could piss me off
Like five nights in a travel lodge
Rock the mic, not turned on
Something tells me, something's wrong
This won't work, pen and (?)
Wish the time would travel faster

I can't wait until the morning
Went downstairs the telly's boring
I can't wait until the morning
Pack my bags and then I'm going

Oh you've more brain than Steven Hawkin
Just like him you shut up talking
One more day and then I'm walking
Your people skills are so appalling
All the time I'm so alive
Put me down, yeah you can try
I'll take the book, I'll take the flight
I've got something on my mind

I can't wait until the morning
Went downstairs the telly's boring
I can't wait until the morning
Pack my bags and then I'm going

What have you done?
What have you done?
What have you done?
