I Want Your love, I Want... Your love, I Want Your love. I Want ... Your love.

Do you feel, like you ever want, to try my love and see how well it fits. Baby can't you see, when you look at me, I can't kick this feelin' when it hit's all alone, in my bed at night, I grab my pillow and squezze it tight, I think of you and I dream of you, all of the time, What am I'm I gonna do,

I Want Your love, I Want... Your love, I Want Your love, I Want ... Your love,

Sometime don't you feel, like you never, really had a love that's real, well here I'am and who's to say a better love, you won't find today, Just one chance, and I will show you love, like no other, two steps above, On your ladder I'll be a peg, I want your lovin' please don't make me beg.

I want your love, I want... your love, I want your love, I want your love, I want... your love, I want your love, I want your love, I want your love, I want... your love,

I want your love,I need your love, I'll share my dreams and make you see, how realy bad,your love I need,

I want your love, I need your love, just like the birds, need sky above, I'll share my dreams and make you see, how realy bad, your love I need,

I want your love, I want... your love, I want your love, I want... your love, I want your love, I want your love, I want your love, I want... your love,
