Coming back at you  
Record number two  
What a way to start the day

Think you're big enough  
With a stronger look  
Got no backup plan in case we blow it

It's all the same old stuff  
They think it's good enough  
It works, and nobody got hurt

It happens every time  
Like anybody minds  
You're telling me it's just the way it works

Too much work to do  
Rocking, new, improved  
Keep it in the family

It's not over 'till it's over, anyway  
It's not over 'till it's over, anyway  
It's not over 'till it's over, anyway

It's not over 'till it's over  
It ain't broke so fix it anyway  
Yeah, yeah, yeah

Got a second chance  
And a fresh advance  
What a way to start the week

Sack the formula  
There's no need to bother  
Got no backup plan so let's not blow it

It's all the same old stuff  
They think it's good enough  
It works, and nobody got hurt

It happens every time  
Like anybody minds

You're telling me it's just the way it works

It's not over 'till it's over, anyway  
It's not over 'till it's over, anyway  
It's not over 'till it's over, anyway

It's not over 'till it's over  
It ain't broke so fix it anyway  
Yeah, yeah, yeah  
Fix it anyway
