Aaron Neville:

say it's all right,
Say it's all right,
Say it's all right, have a good time,
Cause it's all right, whoa it's all right,

We gonna move it slow,
When lights are low,
When you move it slow,
It sound's like more, and it's all right,
Whoa it's all right,

Now listen to the beat,
Kinda pat your feet,
You got soul,
and Everybody knows, that it's all right,
Whoa it's all right,

When you wake up early in the morning,
Feeling sad like so many of us do,
Calm my little soul,
make life your goal,
And surely something's gotta come to you,

And say it's all right,
Say it's all right,
It's all right, have a good time,
Cause it's all right,
Whoa it's all right,

Now everybody clap your hand,
and give yourself a chance,
you got soul and everybody knows,
That it's all right, Whoa, it's all right,

[Horn Solo]

Someday I'll find me a woman,
Who will love and treat me real nice,
and my Whoa's got to go, and My love she will know,

from morning, noon and night,
And she's gotta say it's all right,
Say it's all right,
Say It's all right, have a good time,
Cause it's all right,
Whoa it's all right,
Now come on and clap your hand,
and give yourself a chance,
You got soul,
Everybody knows, that it's all right
Whoa it's all right

Now come on and clap your hand,
and give yourself a chance,
You got soul,
Everybody knows, that it's all right
Whoa it's all right.Fade:3:34sec
