The time is right,you hold me tight,
and love's got me high,
please tell me "yes",and don't say "no",
honey,not to night,

I need to have you next to me,in more way's then one
and i refuse to leave,till i see the morn'in sun,
creep through your window pane,
cause love won't let, me wait,
[not one more minute baby]

The time is right,turn down the lights,
and take my hand,
we'll take a flight,and spend the night,
in wonderland,

Now move a little close to me,you owe it to yourself,
and i will selfishly,take a little, for myself,
and it's because of you,that love won't let, me wait
[No,Ooh,Woo,Ooh] listen girl.

(saxophone solo)

I need your love so desperately,and only you can set
me free,
When i make love to you,we'll explode in ecstasy,
and i won't take the blame,that love won't let,me wait
[No,Ooh,Woo,Ooh]

love won't let,me wait,
My Temperature's risin',[cause your so tantalizing]
love won't let,me wait,[Oh listen girl]
love won't let,me wait,
Fade 3:49
