She leaves her footprints in the snow
She is the greatest thing I know
She is the coolest thing around
And when she walks she shakes the ground
She's got big hands
She's got long legs
She's got beautiful feet

And everything about her seems so wonderful
I wanna touch her just to see if she is real

She is the kind of girl I like
She never comes out in the light
She's got long hair
She's got big feet
She's got white teeth

And everything about her seems so wonderful
I wanna touch her just to see if she is real

She is Sasquatch [x20]
She's got a big foot
She's rocking all night
She's got beautiful teeth

And everything about her seems so wonderful
I wanna touch her just to see if she is real

Just to see if she is real
Just to see if she is real
She's Sasquatch
