I can do despair myself, I don't need anyone to tell me.
Ah, you'll go to hell, some people round here say.
It's a right of passage, Its the right to do some
(secur...?....)
(...?...) shut up, get off your excuses.
Some people, some people
some people find help in their god.
Some people, some people
some people wanna die.
(...?...) c'mon, make up your mind where you're going.
pray for yourself, no one else, don't be slaved.
You stand and miss who you're killin', you hypocrites
don't (...?...)
Stand up for yourself you're the human (...kind...) ?
Some people, some people
some people find help in their god.
Some people, some people
some people wanna die.
Some people, some people
some people find help in their god.
Some people, some people
some people wanna die.
Some people, some people
some people find help in their god.
Some people, some people
some people wanna die....oh.
