How many cars on the drive are actually yours?  
You never go out for a ride, you keep them indoors  
You got a big big mouth, a big big house  
You're the king of cribs right now

A real big hit, no hard shit  
I swear that won't change me one bit  
'Cause I wish I was someone else  
Anybody else so maybe you might talk to me

'Cause I wish I was not myself  
Anybody else then maybe you might notice me

The world will still go on without you  
The newspapers still talk about you  
And if your ever low, pick up the phone  
I'll be 'round, don't tell a soul

'Cause I'm not you, you're bullet proof  
I'm in a crowd and I can't move  
'Cause I wish I was someone else  
Anybody else so maybe you might talk to me

'Cause I wish I was not myself  
Anybody else then maybe you might notice me

Let me in, let me in  
Gimme the sunshine all year 'round  
Lemme out, lemme out  
Gimme it now, hear me out, hear me shout

Gimme the munchies , show me around  
Lemme out, lemme out, gimme the reason  
Gimme it now  
Yeah, yeah, yeah

Gotta big big house, big big mouth  
Big, big, house, big, big mouth  
Big, big, house, big, big mouth  
That's not helping me right now

'Cause I wish I was someone else

Anybody else so maybe you might talk to me  
'Cause I wish I was not myself  
Anybody else then maybe you might notice me

'Cause I wish I was someone else  
Anybody else so maybe you might talk to me  
'Cause I wish I was not myself  
Anybody else then maybe you might notice me  
Yeah, yeah, yeah
