Tony Toni Tone

Hey whass-up?
Yeah, whatchu been up to,
Is that right, like that there,
I been missing you, ya know,
But I want you to know something,
I been thinking,

Oh, umm-umm
And I've been thinking, yeah
[I been thinking of you],
Um hum
[You been thinking of me],

Since the first day, I ever, layed my eye,
Upon your face,
I knew you'd be mine,
And since the time, you gave me, your tiny hand,
I knew I wanted, to be your man,

And I been thinking,
[I been thinking of you],
Ha ha, I just wanna know, if you been thinking about me
girl,
[You been thinking of me],
I know it was a long time ago but I want to know,
[I been thinking of you],
Ha, I just wanna know if you, you been thinking about
me too,
[You been thinking of me],

Now I know, it's been, about a year, since I kissed you,
On your face,
But I want you to know, I remember, the feeling that
day,
And I wanna feel it, that same way,
But I gotta let you know, yeah

[I been thinking about it],
That I've been looking,

[I been thinking about it],
And I've been searching],
[I been thinking about it],
And I've been walking,
[I been thinking about it],
And I've been talking,
[I been thinking about it],
And also stalking,
[I been thinking about it],
In my mind.....
I want you to know,

That I been thinking,
[I been thinking of you],
I just wanna know today, are you thinking girl,
[You been thinking of me],
When it gets late at night I wanna know,
[I been thinking of you],
I just wanna know, have you been thinking girl,
[You been thinking of me],

But I say, I've been thinking
[I been thinking about it],
I've been searching
[I been thinking about it],
And I've been looking
[I been thinking about it],
I've been walking
[I been thinking about it],
And I've been talking
[I been thinking about it],
And I've been, stalking
[I been thinking about it],
In my mind.....
I want you to know,

That I been thinking,
[I been thinking of you]
Yeah, hay,hay,I wanna know you been thinking baby,
[You been thinking of me],
I been thinking about you for a long time ,
[I been thinking of you]
I just wanna know, maybe are you thinking about me,
[You been thinking of me]

I find myself, looking at the clock on the wall,
[I been thinking of you],
And everything that crawls around my home,
[You been thinking of me],
See sometimes I even wanna call the police, ya see,
[I been thinking of you],

And put out a (APB), and try to find you, try to find you
baby,
[You been thinking of me],
Ya know sometimes I want to call America's Most
Wanted,
[I been thinking of you],
Cuz you most wanted in my life,
[You been thinking of me],
Yeah, yeah, and I'm just thinking about you.
