I'm so tired, I need sleep  
Talking to my pillow case, what's wrong with me?  
I make mistakes, but them's the breaks  
I'm crying out for anyone to come and rescue me

Talk about a new wave  
(Whoa oh, whoa oh)  
Talk about a way to save the day  
(Whoa oh, whoa oh)

Talk about a new world  
(Whoa oh, whoa oh)  
And just not today

Hey there, why you look so sad?  
What made you so mad that you can't  
You can't get over it?

Hey there, why you look so hurt?  
You get what you deserve, you know, here we go  
Why don't you cry about it?

Life's a bitch and so am I  
If you want it bad enough  
There's lots of easy ways to die

Talk about a new wave  
(Whoa oh, whoa oh)  
Talk about a way to save the day  
(Whoa oh, whoa oh)

Talk about a new world  
(Whoa oh, whoa oh)  
And just not today

Hey there, why you look so sad?  
What made you so mad that you can't  
You can't get over it?

Hey there, why you look so hurt?  
You get what you deserve, you know, here we go  
Why don't you cry about it?

Oh, talk about a new wave  
(Whoa oh, whoa oh)  
Talk about a way to save the day  
(Whoa oh, whoa oh)

Talk about a new world  
(Whoa oh, whoa oh)  
And just not today

Hey there, why you look so sad?  
What made you so mad that you can't  
You can't get over it?

Hey there, why you look so hurt?  
You get what you deserve, you know, here we go  
Why don't you cry about it?

Hey there, why you look so sad?  
What made you so mad that you can't  
You can't get over it?

Hey there, why you look so hurt?  
You get what you deserve, you know, here we go  
Why don't you? Why can't you?

So tough when no one knows you  
No homies, so lonely  
Why don't you cry about it now?
