It's Like a diamond ring, it's a precious thing,  
and we never wanna lose it,  
it's like a favorite song that we love, to sing,  
Every time we hear the music,

Chorus:

[and] We're in this love together,  
we got the kind that last forever,  
We're in this love together,  
and like berries on the vine,  
it gets sweeter all the time....,

It's like a rainy night in candlelight,  
and, Ooh, it's so romantic,  
we got the hole thing working out so right,  
[yes] and it's just the way we planned it,

[do, dup] We're in this love together,  
we got the kind that last forever,  
[don't you know, that]  
We're in this love together,  
and like berries on the vine,  
it gets sweeter all the time,

(Saxophone solo) or (keyboard solo)

[don't you know]  
We're in this love together,  
we got the kind that last forever,  
We're in this love together,  
we gotta kind that will last forever,  
and ever..more,

[don't you know]  
We're in this love together,  
we got the kind that last forever....,  
[tell you that]  
We're in this love together,  
we going to find that love has open up the door,  
[Hey, yea, yeah],

[don't you know, that],  
We're in this love together,  
we got the kind that bring's to mind,  
our favorite song,

[let me say that],  
We're in this love together,  
we got the kind, that linger's all night long,  
[ye-ah, ye-ah], ye-ah  
We're in this love together,
