when you were with me
i remember
all the fun things
we did together

how to forget
all the bad times we were together
and all the the good times two

When you were with me
I just felt like a new person
but now that your not here with me
I don't know what to do
I just forgot what I did
when I was with you.
ohhhhhhhhh.

The love that you gave me
and the care that I needed
, no one does it like you did
,and now that your not here
I miss all that you did for me.
ohhhhhhhhhhhhhhh

i think that now i know
why you did all the things
that i didnt liiiiiike

cause were you were with me
you just wanted to proteeeect me

When you were with me
I just felt like a new person
,but now that your not here with me
I don't know what to do
I just forgot what I did when I was with you.
ohhhhhhhhh.

The love that you gave me
and the care that I needed
, no one does it like you did
,and now that your not here

I miss all that you did for me.
ohhhhhhhhhhhhhhh

i just want to thank you
for all the things you did
for me

thankyou for my good health,
for the good food ,
for a good live two.

I just miiiiss when you were with me
When you were with me
I just felt like a new person
, but now that your not here with me
I don't know what to do
I just forgot what I did when I was with you.
ohhhhhhhhh.

The love that you gave me
and the care that I needed
, no one does it like you did
,and now that your not here
I miss all that you did for me.
ohhhhhhhhhhhhhhh
