[Ben:] The sun is shining, the rain comes in  
And i don't know what to do, no...  
I don't know where i'm going or where i've been cos my  
mind is hooked on you.  
Words escape me and tears come down and day  
slowly turns to night  
And i think of all we could have been,  
I gave up the fight.

[Ben:] And you don't  
([All:] you don't),  
Understand  
([All:] understand),  
Girl you make me all i am,  
But i'm starting to see, just how hard it can be, on my  
own  
And i'm sorry baby won't you come home?

[Ben:] You said that we'd been defeated  
But oh i am so addicted  
Your love is all i need to get by.  
You told me that you and i would always be true  
But you lied  
And you're not in love and i don't know why  
No, i don't know why

[Paul:] The days around me and years roll on  
And i still don't think it's right  
([All:] don't think it's right)  
And i have so much love to give,  
But i gave up the fight.

[Paul:] Now you don't  
([All:] you don't),  
Understand  
([All:] understand),  
Girl you made me all i am,  
Now i've started to see, just how hard it could be, on  
my own  
And i'm sorry baby won't you come home?

[Ben:] You said that we'd been defeated,

But oh i am so addicted,  
Your love is all i need to get by.  
You told me that you and i would always be true,  
But you lied  
And you're not in love and i don't know why.

[Paul:] No i can't make it alone  
([Ben:] i don't know why)  
And i can't be here without you in my life  
And so i ask you, why, you still deny?

[Ben:] And you don't,  
Understand,  
Girl you made me all i am  
But i'm starting to see, just how hard it can be, on my  
own  
And i'm sorry baby won't you come home?

[All:] You said that we'd been defeated,  
But oh i am so addicted,  
Your love is all i need to get by.  
You told me that you and i would always be true,  
But you lied  
And you're not in love and i don't know why.

[Ben:] No, i don't know why,  
Just tell me why,  
Please tell me why.
