Coast to coast, there's a brand new line, yeah  
Coast to coast, there's a brand new crime  
Everywhere, there is something in the air  
All the people say

Shake it up don't stop  
Take it up to the top

Dance all night, to your heartbeat (heartbeat)  
Dance all night, to your heartbeat (heartbeat)  
Dance all night, to the beat on the street  
Dance all night, to your heartbeat (heartbeat)  
Dance all night  
Gotta do it 'till we get it right, oh yeah

All night long, hear the call of the wild, yeah  
All night long, feelin' free as a child  
All around, you can listen to the sound  
Hear the people say

Shake it up don't stop  
Take it up to the top

Dance all night, to your heartbeat (heartbeat)  
Dance all night, to your heartbeat (heartbeat)  
Dance all night, to the beat on the street  
Dance all night, to your heartbeat (heartbeat)  
Dance all night  
Gotta do it 'till we get it right  
Dance all night

(Solo)

Dance all night, to your heartbeat... yeah  
Dance all night, to your heartbeat... c'mon  
Dance all night, to the beat on the street  
Dance all night, to your heartbeat... ahhh  
Dance all night, to your heartbeat... wooh  
Dance all night, to your heartbeat  
Dance all night... everybody  
Dance all night... yeah, yeah, yeah, yeah

Dance all night... ahh  
Dance all night
