Come and look into my heart
You will find me in your dreams
And soon you'll be my gift of love
Because me and you, we reach into your every thought
Is it always what it seems.
I will never leave your side,
It's just you and me.

[Chorus]

Look into your heart and let your body go crazy
Get up here and dance cause the beat is your baby,
Look into your heart and let your body go crazy
Dance with me tonight[x2]
If you dance in my heart I will love you forever
Come and dance with me tonight
If you dance I will try to love you forever
Won't you dance with me tonight...

Won't you reach into your soul
Find out who you really are
When you do I'll be your guide
When your dreams come true.
Follow me into a place
Where we'll live forever more
And I'll never leave your side,
It's just you and me.

[Chorus]

Look into your heart and let your body go crazy
Get up here and dance cause the beat is your baby,
Look into your heart and let your body go crazy
Dance with me tonight[x2]
If you dance in my heart I will love you forever
Come and dance with me tonight
If you dance I will try to love you forever
Won't you dance with me tonight...

If you dance in my heart I will love you forever
Come and dance with me tonight
If you dance I will try to love you forever
Won't you dance with me tonight...
