Yesterday[x2]

I lost my speech, the days pass so

Slowly I can't breath

I long for your love,

I long for your touch

Our memories, they creep in my mind

I'm losing sleep

I'm drowning in my thoughts

Tell me who will save me now

[Chorus]

Tell me why, why did we say goodbye

I think about our yesterday

I think about our yesterday

Now I see that you were meant for me

I think about our yesterday

I think about our yesterday

Tell me why, why did we say goodbye

I think about our yesterday

I think about our yesterday

Now I see that you were meant for me

I think about our yesterday

I think about our yesterday

Yesterday[x4]

I think about our yesterdays

When everything was still okay

I start to live it day to day

Not knowing will he stay[x4]
