Verse 1: [LaTavia]

First off I'm gonna let you know
This ain't that type of situation
Here I been now, 2, 3
4 never even been replaced 'cause
I'm gonna value of the depressents I got
I'm gonna be the women from day one, and that's not
That's not up for an negotiation
Or them kinds of conversations
I'm just tryin' to live my life
Can't go without them confrontations
A problem, yes that's just what we've got
If you think I'm a back-door-type-of-girl, I'm not (no
ooh, ooh)

Chorus: [Anjel]

No, it ain't my style
I can't wait around and be an after-thought
While you just run around
Doin' Lord knows what with Lord knows who
I know it ain't just business, baby
All the time
And it ain't my style (It ain't my style)
To be playin' around while you be runnin' all around
town (all around town)
And all I can think is
You're doin' Lord knows what with Lord knows who
(Lord knows who)
I know it ain't all business, baby
And it ain't my style, no no

Verse 2: [LeToya]

I was hoping that you would come around and have a
little more patience
And now I'm at the point where I'm just tired of waitin'
'Cause after everything I've put into this (to this)
In return they only think
All I wanted was for you take some time (take some
time)
And fit me in your busy schedule
That means takin' me out and

Makin' me feel like someone special
And remind me of how much you care
I'm not about to sit at home while you do you're thing

Chorus: [Anjel]

No, it ain't my style
I can't wait around and be an after-thought (Can't wait
around, for you baby)
While you just run around
Doin' Lord knows what with Lord knows who
I know it ain't just business, baby
All the time
And it ain't my style (Ain't my style no no)
To be playin' around while you be runnin' all around
town (all around town)
And all I can think is
You're doin' Lord knows what with Lord knows who
I know it ain't all business, baby
And it ain't my style, no no

Chorus: [Anjel] (Tiffany Sings Outro)

(No No) No, it ain't my style
I can't wait around and be an after-thought (Can't wait
around baby)
While you just run around
Doin' Lord knows what with Lord knows who (Can't play
the fool, Lord knows who)
I know it ain't just business, baby
All the time
And it ain't my style (Ain't my style)
To be playin' around while you be runnin' all around
town (All Around town)
And all I can think is
You're doin' Lord knows what with Lord knows who
(Lord know with, Lord know who)
I know it ain't all business, baby
And it ain't my style, no no

[Anjel] (Naty Sings Lead Chorus)

No, it ain't my style
I can't wait around and be an after-thought
While you just run around
Doin' Lord knows what with Lord knows who
I know it ain't just business, baby
All the time
And it ain't my style
To be playin' around while you be runnin' all around
town
And all I can think is
You're doin' Lord knows what with Lord knows who
I know it ain't all business, baby

And it ain't my style, no no
