Verse 1 (Naty):

Can I take like a minute of your time
To tell you that i love you in my life
Cause' i never thought, I found some-
one like you couldn't do much better
in my dreams-your even better cause
you're the real thing, and i love the
time that you're spending with me

(All Anjel Naty Lead)

With you is where i wanna be i don't
give a damn what you want from me
now, i'm-tellin you this cause

Chorus:

You're the best of all time, you're all
i want in life, every little thing just blow
my mind you ain't got it i don't need it
you're the best of all time so good you
make me wanna cry, you're all i want
in life, You're the Best Of All Time

He's the Head of My House the captain
on my team-knows what he's about
He make me wanna be everything i
