Verse 1: [Tiffany]

Can't no man define who I am  
'Cause I know just what I can be  
If you wanna go, he can go  
It's a free country  
I mean, that's love  
But I love him enough to let him go  
If that's what he wants  
If it's meant to be  
He'll come back to me

Hook: [LeToya]

Why do you run around  
Tellin' everyone in town  
You didn't want me no more  
If you wanna run around  
I ain't tryna hold you down  
Got me lookin' like a fool  
It ain't cool

Chorus: [Anjel]

I ain't with that  
I ain't trynna keep a man around  
Who don't wanna be kept  
I ain't with that  
I need another man in my bed  
That like holdin' my hand  
I ain't with that  
Seems like  
The older I get, the less patience I have  
I ain't with that  
Oh, I ain't with that  
Oh, no, I ain't with that

Verse 2: [LeToya]

Some say love is getting along  
But you'll find that out on your own  
Well, if that's true  
Now I know  
That you must've been my first true love  
But I'm not gonna waste my time

And beg you to stay because  
I'm probably better off without you anyway

Hook

Chorus

Bridge 2: [LaTavia & LeToya]  
I don't want no one tellin' me what to do  
I ain't with no man who can't tell me the truth  
(Should've been evil ladies)  
I just ain't with all that bull  
I ain't with that  
No, I ain't with that  
No, oh I ain't with that

Chorus X3
