Verse 1(LaTavia)

See I can't stop
Cause I know what I want
And I, won't let it just (pass by me)
Two monkeys (don't stop no show)
And I know you heard it (all before I)
I realized that I don't need (no one in this world)
And it's okay if you don't wanna (be down)
Ha ha, I'll see you at the top girls

(B-Section)

You try to reach the top
Then we stop and we flop
And uh, and plus we got some bills to swing
You can do anything that you want
If you, just believe in you
Don't let nobody stop ya shine
It really doesn't matter what they do to you
I hope you get yours cause I'ma get mine

(Chorus)

Everybody got dreams
You try to get to the top
Ain't no way we can stop
Just because you lost a few dreams
And if you ask me, I'ma tell ya we can do it again
From the bottom to the top
You it don't stop
I gotta do my thing
And you know everybody got dreams just like me

Verse 2(LeToya)

See I, believe I
Can still get to where I wanna be
And still be the same inside
I won't let it all get to me no (no, no)
I realized that I only need a few things in this world (in
my world)
And it's okay if you don't wanna be down
Just listen to your heart

(B-Section)

You try to reach the top
Then we stop and we flop
And uh, and plus we got some bills to swing
You can do anything that you want
If you, just believe in you
Don't let nobody stop ya shine
It really doesn't matter what they do to you
I hope you get yours cause I'ma get mine

(Chorus)

Everybody got dreams
You try to get to the top
Ain't no way we can stop
Just because you lost a few dreams
And if you ask me, I'ma tell ya we can do it again
From the bottom to the top
You it don't stop
I gotta do my thing
And you know everybody got dreams just like me
