Oww yeah

Sitting there staring  
Do it right on cue  
Some girls know just what to do  
We got so sweet in the sheets  
You really knocked me off my feet  
Uh  
Yeah yeah yeah

Popping that colt  
Too loud today  
Some girls know just what to say  
One shot in the slot  
Shoot that pistol til it's hot  
Uh  
Yeah yeah yeah

All night long  
Baby I want you  
All night long  
Do you want me too  
All night long  
Baby I want you  
All night long  
Do you want me too  
Ooh yeah

Rapping their lines  
Hit the bottom stair  
Some girls know just what to wear  
One night dynamite  
Grab that pole  
And hold on tight  
Yeah yeah yeah

All night long  
Baby I want you  
All night long  
Do you want me too  
All night long  
Baby I want you

All night long  
Tell me, do you want me too  
Ooh

Aaaahhh

All night long  
Baby I want you  
All night long  
Do you want me too  
All night long  
Baby I want you  
All night long  
Tell me, do you want me too  
Oh, all night long  
Yeah yeah  
I want, I want  
Baby I want you, you  
Again, come on  
Now tell me  
Do you want me too  
Oh yeah  
Come on baby  
I want you  
Come on  
Well I want you  
Ooh  
All night long  
Yeah
