Owww uh

She got the moon in her hand  
And the stars in her eyes  
She lights up the night  
As she turns on the sky  
It's ol' Angela  
Got the world at her feet  
And you can find her  
Where the east and west meet  
I gotta call out, gotta call out

Chorus 1:

Angela  
Can you hear me, yeah  
Calling out your name  
Angela  
If you touch me  
I'll never be the same  
Angela  
I can't see you  
You're always in my dreams  
Angela  
Don't you know  
That you're everything to me

Yeah

She got the world on a string  
And it's under control

She turns on the fun  
And everything below  
It's all about her  
It's just a part of her plan  
And she can change you  
With a wave of her hand  
I gotta call out, gotta call out

Chorus 2:

Angela  
Can you hear me, yeah

Calling out your name  
Angela  
If you touch me  
I'll never be the same  
Angela  
I can't see you, yeah  
You're always in my dreams  
Angela  
Don't you know  
That you're everything I need

Angela  
I need you  
Angela  
I need you

Repeat Chorus 2

Angela  
I need you  
Angela
