### "King Of The Box"

Visit "[King Of The Box](#)" on MotoLyrics.com

I am king of a little old thing  
I like to call my home  
It is nice cause i gave it life  
And i never feel alone

It's just a place where i can go  
That'll never let me down  
And when i'm in there i'm never scared  
And i never wear a frown

From inside i never hear  
The world and what's around me  
I've got no rules in my home  
And i've got nothin' to see

I live in a box-that's where i'll be  
I live in a box-that's what you see  
I'm the king of the box and it listens to me

[chorus:]  
It's just a place [3x]  
*Just a place that listens*
