Things happens, nearly all the time  
Can you hear me wondering,  
Can you hear me crying?  
All I need is feeling me like I do  
It's breaking up, in your arms, lying next to you

Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you

Things happens, nearly all the time  
Can you hear me wondering,  
Can you hear me crying?  
No one else, feels the way I do  
Knowing that I lost you, I blame me all the time

Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you

Now I need, now I need  
Now I need, now I need  
Now I need, now I need

All I need, is feeling me like I do  
It's breaking up, in your arms, lying next to you

Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you

Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you  
Now I need, now I need you
