Looking out on the morning rain

I used to feel so uninspired

And when I knew I had to face another day

Lord, it made me feel, made me feel so tired

Before the day I met you, life was so unkind

But you're the key to my peace of mind
'Cause you make me feel

You make feel

You make me feel like

A natural woman
Oh, baby, what you've done to me

Ooh, you make me feel so good inside

And I just don't want to be close to you

You make me feel so alive
You make feel

You make me feel like

A natural woman
