Is it that we've been
Together much too long
The answer may not be
In black and white

We're always trying to
Prove who's right or wrong
And now were giving up
Without a fight

But I know when you're gone
I'll wish I'd held on

[CHORUS]
So, baby, surrender to me
(Surrender)
There'll be no holding back now
So, baby, surrender to me
Tonight (tonight)

I don't want our love
To cause you so much pain
If this is how it's gonna be
I'll walk away, baby

No, neither one of us
Should ever say goodbye
Let's forget about the past
And who's to blame

'Cause when this is all gone
We'll wish we'd held on

[Repeat CHORUS]

How could this love be in danger
It used to be so good, so right

To think that fate
Could make us strangers
Has thrown me in your arms tonight
Whoa, yeah

Whoa, oh
Now, now, now

[Repeat CHORUS]

Surrender, surrender
Surrender
