I know you're trying but you're failing, so turn around  
I'm in control, I call the shots so never mind  
I'm gonna tell you how I feel before you hit the ground  
This time I'm gonna make you see  
And I'm gonna make it loud

refrain:

It'll be over in a minute now  
'Cause I'm a bad girl, bad bad girl  
I'm a bad girl, bad bad girl  
If you're messing with a bad girl  
You'll get burned  
Stop messing with a bad girl, bad bad girl

You think I'm gonna be weaker without you babe, no  
It might be hard for you but I'm gonna go my way  
I'm gonna hold my head up high, my feet just off the  
ground  
I honestly won't take no more, you see this girl is proud

refrain

Don't tell me what to do, no  
Don't tell me where to go, boy  
Don't wanna hear you speak so, no no no  
I'm doing just fine now  
Stop pushing me around now  
You're pushing me around now, no no no

refrain (3x)
