Every time, that I'm with you, my friend,
Well, we seem to turn this world, around
Then the time, do you remember when
everything we touched turned upside down?

Well here's my song
Let me tell you how I felt
You're mine

My love
I'm living in my love
I know this is my time,
It's my turn,
It's my love
Baby hear me now
I'm home,
And I'm singing from my soul,
And I'm digging the high fly
In my world
You're my love

Soft and warm
A lovely gentle breeze
This perfect feeling
We keep holding on (keep holding on, keep holding)

This is all I think we'll ever need
Just a smile or two will keep us strong

So hear me out
It'll tell you how I felt
Tonight

My love
I'm living in my love
I know this is my time,
It's my turn,
It's my love
Baby hear me now
I'm home,
And I'm singing from my soul,

And I'm digging the high fly
In my world
You're my love

Here's my song
It'll tell you how I felt
You're mine

My love
I'm living in my love
I know this is my time,
It's my turn,
It's my love
Baby hear me now
I'm home,
And I'm singing from my soul,
And I'm digging the high fly
In my world
You're my love
