Let me tell you a story
If you care to listen for a while
I wanna bring to your attention
Little fragments of my mind

I'm coming home,
I'm coming home,
To be free

Even though I might be falling
I'm always landing on my feet
I'll tell you why I'm still standing
It's cus I'm moving to the beat

I'm letting go,
I'm letting go
To be free

And I'll get by
Without you
And I still sing
yeah yeah yeah
And I don't know why
Now that we're through
Will I still sing?
yeah yeah yeah
yeah yeah yeah

You say this came without warning,
But you've known this for a while
I didn't change to the better
You say why, I say I
Don't deny it

And I'll get by
Without you
And I still sing
yeah yeah yeah
And I don't know why
Now that we're through
Will I still sing?

yeah yeah yeah
yeah yeah yeah

Dudidadudidadudidada
lalalalalala

Coming home
Coming home

Ooooohoohoo

And I'll get by
Without you
And I still sing
yeah yeah yeah
And I don't know why
Now that we're through
Will I still sing?
yeah yeah yeah
yeah yeah yeah

And I'll get by
Without you
And I still sing
yeah yeah yeah
And I don't know why
Now that we're through
Will I still sing?
yeah yeah yeah
yeah yeah yeah
