You make me happy  
That is good enough for me

And I am sorry to admit  
Even when I shouldn't be  
Ohhh baby, sometimes a mystery why  
But you always make me happy  
Yeah

You keep me fallin'  
Just to catch me down below  
Knowing exactly when to come  
And exactly where to go

Ohhh baby, the light in your eyes  
Can burn me and still  
Make me happy

Many times I made you feel otherwise  
Many times I let it go  
I guess I needed to be out in the rain  
Just to find my heart again

You make my happy  
And that makes you quite unique  
And I would easily refuse  
The world to be with you

Whatever happens,  
don't you forget,  
I always did my best  
To make you happy

Many times I made you feel otherwise  
Many times I let you down  
I guess I needed to be out in the rain  
Just to hear your voice again

To make you happy  
Ohh, to make you happy  
Ohh, you make me happy

Ohh, you make me happy yeah  
Ohh, always did my best to make you happy
