Brain fried tonight through misuse
Through misuse, through misuse
(Brain fried tonight through misuse)
You can't avoid static abuse
(You can't avoid static abuse)
Abuse, abuse

Without these pills, you're let loose
You're let loose, you're let loose
(Without these pills, you're let loose)
Stand up, get out, no excuse
No excuse, no excuse

What's that coming over the hill?
Is it a monster? Is it a monster?
What's that coming over the hill?
Is it a monster? Is it a monster?

What's that coming over the hill?
Is it a monster? Is it a monster?
What's that coming over the hill?

Confused, mind bruised, it seeps out
It seeps out, it seeps out
(Confused, mind bruised, it seeps out)
Face down, hometown looks so gray
(Face down, home town looks so gray)
So gray, so gray

Convexed you bend, twist and shout
(Convexed you bend, twist and shout)
And shout, and shout
Stand up, brush off, get moving
Get moving, get moving

What's that coming over the hill?
Is it a monster? Is it a monster?
What's that coming over the hill?
Is it a monster? Is it a monster?

What's that coming over the hill?
Is it a monster? Is it a monster?

What's that coming over the hill?
Is it a monster? Is it a monster?

Face down, hometown, face down, hometown
Face down, hometown, it looks so gray
Face down, hometown, face down, hometown
Face down, hometown, it looks so gray

Face down, hometown, face down, hometown
Face down, hometown, looks so gray
Face down, hometown, face down, hometown
Face down, hometown, looks so gray

What's that coming over the hill?
Is it a monster? Is it a monster?
What's that coming over the hill?
Is it a monster? Is it a monster?

What's that coming over the hill?
Is it a monster? Is it a monster?
What's that coming over the hill?
Is it a monster? Is it a monster?
Is it a monster?
