If somebody told you
That they didn't love you
And later, they told you
They think the whole world of you

[CHORUS]

Would you still love them
(I don't know)
Would you still love them
(I don't know)
Would you still love them
(I don't know) whoa

I don't know
I don't know, I don't know

Somebody told you
They believe you
And with every chance
They still decieve you

And if somebody told you
They need you bad
But when you're gone
They still ain't sad

[Repeat CHORUS]

I don't know
I don't know, I don't know

I can't forget you
I can't forget you
I can't forget you
I can't ever forget you

If somebody told you
That they didn't love you
Later, they told you
They think the whole world of you

[Repeat CHORUS]

I don't know
I don't know, I don't know

I still remember
I still remember
