Ive been upset and Ive been down
Ive been throwing things around
since u no longer here beside me

And my friends say - hey whats new
they just heard that we were through
well i gues im alright baby

Chorus
Im surviving this for sure
to win my love takes so much more
Im surviving this for sure
to win my love takes so much more

So my friends heard that were through
now they think i still love u
but, u wereÁnt really all that baby!

Like a walk down in the park
A light chining in the dark
IÁts been nothing and now clearly

Chorus

Im surviving this for sure
to win my love takes so much more
Im surviving this for sure
to win my love takes so much more

Its funny you just changed
The boy that i ones knew
Started acting strange
I didnt know just what to do
It seemed I had no choise
But turnaround and leave
And thou for sure i cryed
It took some time but now I see

Im surviving this for sure
to win my love takes so much more
Im surviving this for sure
to win my love takes so much more

Chorus
Im surviving this for sure
to win my love takes so much more
