Our ambition got cast aside
Thrown away when the batteries died
And you'll start to compromise
Just to get to the other side

But it's always for the best
And if you're not convinced
Then you'll get left behind
I lost interest

It doesn't seem like you mean it
I don't believe that you believe it
And, yeah, it feels like running with your eyes closed
If you forget what you're supposed to be

It doesn't seem like you mean it
I don't believe that you believe it
And, yeah, it feels like running with your eyes closed
If you forget what you're supposed to be

Let's go see Raoul
(Let's make a stand)
Let's go see Raoul
(For all the ones who)

Let's go see Raoul
(Used to give a damn)
Let's go see Raoul
(Working overtime)

Our ambition got cast aside
Thrown away when the batteries died
And you'll start to compromise
Just to get to the other side

It doesn't seem like you mean it
I don't believe that you believe it
And, yeah, it feels like running with your eyes closed
If you forget what you're supposed to be

It doesn't seem like you mean it
I don't believe that you believe it

And, yeah, it feels like running with your eyes closed
If you forget what you're supposed to be

Let's go see Raoul
Let's go see Raoul
Let's go see Raoul
Let's go see Raoul in the family place

Let's go see Raoul
(Let's go see Raoul)
Let's go see Raoul in the family place
(Let's go see Raoul)

Let's go see Raoul
(Let's go see Raoul)
Let's go see Raoul in the family place
(Let's go see Raoul)

Let's go see Raoul
(Let's go see Raoul)
Let's go see Raoul in the family place
(Let's go see Raoul)

Let's go see Raoul
(Let's go see Raoul)
Let's go see Raoul
(Let's go see him)

It doesn't seem like you mean it
I don't believe that you believe it
And, yeah, it feels like running with your eyes closed
If you forget what you're supposed to be

It doesn't seem like you mean it
I don't believe that you believe it
And, yeah, it feels like running with your eyes closed
If you forget what you're supposed to be

Let's go back to work
Let's go back to work
Let's go back to work
