Special one living life  
Making choices by your own device  
Dreaming of a better way  
But not listening to what they say  
You can see me waiting  
I'm calling out to you  
I am contemplating  
How to get through to you  
Special one singing songs  
Making out like there's nothing wrong  
Dreaming of a better road  
But not listening to what you're told  
Do you want it different baby  
Do you wanna be free lady  
Do you wanna see some changing  
Special one it's not hard  
All you have to do is open up your heart  
Let go of your mind  
If you believe you will find
