Fine white sheets  
Candles too  
Beds in a straight row  
One's for you  
No one talks  
Straight at you  
Just outside in the hallway

Flowers in the window  
Red and blue  
Rose, people here still think of you  
No bleeding eyes  
When they pass  
Don't bang your head  
Against the glass

What can I do  
I'm losing you  
What can I do  
I'm losing you

What can I do  
I'm losing you  
What can I do  
I'm losing you

From the doorway  
Watching you sleep  
Before you wake up  
Not when you eat  
Keep it straight  
Wipe your mouth  
Keep it down  
Rose, don't shut

What can I do  
I'm losing you  
What can I do  
I'm losing you

What can I do

I'm losing you  
What can I do  
I'm losing you

From the doorway  
Watching you sleep  
Before you wake up  
Not when you eat  
Keep it straight  
Wipe your mouth  
Keep it down  
Rose, don't shut

What can I do  
I'm losing you  
What can I do  
I'm losing you...
