Me and you  
Better laugh in 20 years from now  
With some perspective and dedication  
I will find somebody new

But it better be someone special  
Better be coming very soon  
Better be for real this time  
Oh I know - it always was with you

You or no one  
I hope I'm wrong before I die  
Of boredom  
I want more than  
Days and nights when I amuse  
Myself alone

But he better be someone special  
He better be devoted just like you  
It better be for real this time  
Oh I know - it always was with you  
(Wih yoo-ou. with yoo-oo-oo-ou. with yoo-ou)

Friends forever, oh no  
Another girl will change your mind  
In less than  
Half  
The summer  
So before you fall in love, I wonder  
When  
You asked for  
Something that I couldn't give  
You more of  
Me and you  
I talk as if it's now but nothing  
Is new

But she better be someone special  
She better be more in love than me  
And if I was your brightest hour  
She is now, as far as I can see

(See-ee.  
As far as I can see.  
As far as I can see.  
She better be.  
She better be.  
She better be.  
She better be.)
