You are my everything
My head and my heart mind my wing
I could give all again
I'm never sure
Of anything
With you

The jokes the laughs the teardrops too
The games the fun the travels too
Yes I won't do them all with you
All good things now come from you

I hope you feel the way I do
I hope you give yourself up too
I'm damned to feel the way I do
What have I done
To fall so hard
For you

You are my everything
My head and my heart mind my wing
The past the present tomorrow too
I'll spend my final day
With you

I hope you feel the way I do
I hope you give yourself up too
I'm damned to feel the way I do
What have I done
To fall so hard
For you

I hope you feel the way I do
I hope you give yourself up too
I'm damned to feel the way I do
What have I done
To fall so hard
For you
